Newark, N. J.

Dear Mrs. Manley: Just a line to inform you that the fifth annual North-South all star Negro major league classic will be staged here Sunday, September 26, with the Kansas City Monarchs serving as the nucleus for the South's team. Satchell Paige will open the game for the South.

At this game we make it a policy to publish pictures of outstanding baseball players in both leagues. This year we should appreciate having a couple of mats of Leon Day, pitcher, and Pearson, outfielder.

I certainly should appreciate your sending them here this week as I plan to put my printer to work Monday morning.

Any suggestion that you may have in regards to this game will be highly appreciated.

Yours truly,

P. S.--A few notes on each players is also desired. I thank you..AP
